

FULL INTERIOR DESIGN SERVICE

It is our intention to demystify the design process and make it positive, uncomplicated and exciting.

In our full interior design service package we will collaborate with you to create a home for today's living, reflecting your family's lifestyle, while honoring the architectural integrity of your home. Whether you want to renovate an older home or are planning to build a new home, we will take care of every detail, from concept to completion, providing full procurement services* to co-create an extraordinary residence that is everything you want and no more than you need.

The investment for this service is a flat design fee based upon the size, complexity and type of project, in addition to a furnishings budget.

Please call for a quote.

**Our procurement services provide our clients with the best possible cost to meet their needs in terms of quality, quantity, time and location.*
